NOTE FOR: The Director  
FROM: Dave Gries  
SUBJECT: Upcoming Senate Intelligence Committee Hearing  
on Boren/Cohen Oversight Legislation

You are scheduled to appear before the Senate Intelligence Committee on 20 November at 10:30 a.m. We have prepared the attached opening statement for you to give at the hearing. The statement follows closely the draft viewsletter on S.1721 which you reviewed last week. It may not be necessary to send the viewsletter since the substance of the Agency's views will be contained in the opening statement.

If you find the statement acceptable, we will circulate it to the rest of the Intelligence Community for their review and comment. To give them sufficient time, we would like to forward the statement to the Intelligence Community by Monday afternoon, 16 November. We hope to provide copies of the statement to the Committee by Wednesday.

We are also preparing your briefing book, which will include questions and answers and backup material. The book will be provided to you on Tuesday afternoon.
